

To reduce the burden of credentialing, the Colorado legislature enacted law mandating the use of one application for credentialing purposes- the Colorado Uniform Health Care Professional Credentials Application.

While a copy of this application is included in this packet, if you have previously completed this application for another organization you can submit a copy of that application as long as the information it contains is still correct and the signature pages are dated within 60 days of today. It is also appropriate to complete only new signature pages and attach them to a previously completed application as long as the information on the application is still correct.

We recommend that all physicians maintain an unsigned, undated master copy of the completed application, either on paper or in an electronic format, for future credentialing events and reappointment at your current facilities.

If you would like a Word or PDF electronic version, or other information about the application, please contact our office.

Thank you,

COLORADO HEALTH CARE PROFESSIONAL CREDENTIALS APPLICATION

This is the Colorado healthcare professional credentials application. The Colorado legislature has mandated that all health care entities and all health care plans engaged in the collection of information to be used in the process of credentialing of health care professionals use this form (C.R.S. § 25-1-108.7).

This uniform application has been designed to allow each credentialing entity to receive from you core credentialing information needed in common by all of them, without duplication.

This uniform application has been designed to allow each practitioner to complete a single form with core information for submission to each credentialing entity to which the practitioner is applying.

Each credentialing entity may require additional, non – duplicative credentials information, if it is deemed by them to be essential to the completion of their credentialing process.

A healthcare professional by law, means any physician, dentist, dental hygienist, chiropractor, podiatrist, psychologist, advanced practice nurse, optometrist, physician assistant, licensed clinical social worker, child health associate, marriage and family therapist, or any other health care professional who is registered, certified or licensed by the state of Colorado, who practices, or intends to practice, in Colorado, and who is subject to credentialing.

Those credentialing entities that are required to use this uniform application are:

- 1) A health care facility or other health care organization licensed or certified to provide medical or health services in Colorado;
- 2) A health care professional partnership, corporation, limited liability company, professional services corporation or group practice;
- 3) An independent practice association or physician-hospital organization;
- 4) A professional liability insurance carrier; or
- 5) An insurance company, health maintenance organization, or other entity that contracts for the provision of health benefits.

No State of Colorado licensing or certification board is required to use this uniform application.

The reason Colorado has mandated the use of this uniform application is to reduce health care costs and duplication.
